### CALL FOR NOMINATIONS

SIGMINI is seeking nominations for officers for the two-year period beginning in June, 1977. Seven officers are sought: Chairman, Vice-Chairman, Secretary/Treasurer, and four Directors. All ACM members are eligible to hold office.

The activities of SIGMINI concentrate upon small computer systems, which is the most rapidly growing area in Computer Science. The scope of SIGMINI is indicated by its charter.

### SIGMINI Charter

Treats small computer systems, hardware, software, and peripheral devices. Area includes minicomputers, microcomputers, microprocessors, digital calculators, and systems, incorporating these and similar devices. Provides a forum for the interchange of information on small systems and the exchange of specific experiences. Examines present and future applications. Reviews new equipment and techniques.

If you (or one of your associates) are interested in helping to guide the direction of the ACM in this important area, send in the form below or contact a member of the nominating committee before February 21.
